HERE'S SOMETHING YOU CAN DRINK TO... 讓我們舉杯慶祝...

... great wines at fair prices. We have been frustrated by the outrageous prices charged for wine in restaurants so we decided to do something about it.

We add a flat \$150 per bottle to the actual cost of all of our wines. Many other restaurants will mark-up prices by 3-5 times the cost. So for a wine that costs \$300 it is \$450 on our list whilst elsewhere you could be charged \$900-1500. If you can find any of our wines at a cheaper price in a comparable restaurant in Hong Kong we will match it. What's more, "Bring Your Own" favourite bottle and the corkage charge is the same as our mark-up - HK\$150.

What does this mean for you? The finest quality wines at fair prices. Cheers!

... 超值的佳釀。我們已厭倦外間餐廳收取您每瓶餐酒不合理的高昂價格，正因如此，我們決定改變這種風氣。

於PizzaExpress，我們只於每瓶餐酒成本價加上\$150，然其他餐廳卻收取您成本三至五倍的價錢。例如一瓶餐酒成本價為\$300，我們只會標作\$450，但於其他餐廳所標的價錢很可能由\$900至\$1500不等。如您於其他相若餐廳找到更便宜的同款餐酒，我們很樂意調整。就是自携心愛佳釀，我們無任歡迎，而開瓶費也不過同樣是\$150。

給你多無可抗拒的選擇，為甚麼不？！來... 乾杯！
